

# Bank On New Mexico

Our goal is to ensure that all New Mexico households have access to a safe, affordable bank or credit union account.

*Access to an affordable and functional transaction account is important for participating in the financial mainstream, depositing earnings securely, paying bills efficiently, accessing affordable credit, and saving for emergencies.*

Bank On certified accounts are:

- **Safe** - No overdraft or nonsufficient funds fees
- **Low or No-Cost** - \$5 or less per month with a low minimum opening deposit (\$25 or less)

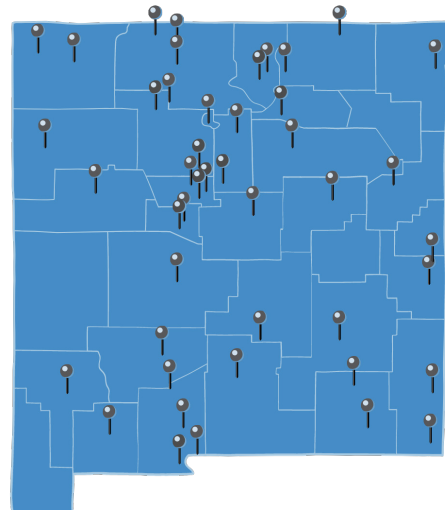

## What Is Bank On New Mexico?

Led by the nonprofit Prosperity Works, Bank On New Mexico is a collaboration between banks and credit unions, nonprofit and community organizations, and government agencies to ensure that all households in New Mexico have access to Bank On certified accounts. Together, we are working to encourage economic stability and build stronger financial futures for New Mexico families.

Our coalition partners are committed to help improve the financial stability of the households in our community by increasing the availability of Bank On certified accounts, raising public awareness of these efforts and opportunities, and expanding access to financial education and other financial wellness opportunities.

Visit us at [www.bankonnewmexico.org](http://www.bankonnewmexico.org) to learn more.

**Bank On Certified Accounts are available in over 280 bank and credit union branches in 46 cities across New Mexico.**

Visit [www.bankonnewmexico.org/accounts](http://www.bankonnewmexico.org/accounts) to find a financial institution near you offering a certified account.

"Bank On New Mexico is dedicated to promoting financial inclusion and increasing the availability of no-overdraft and low-cost checking accounts in our state. Our coalition members come from a variety of sectors and are committed to strengthening the financial stability of New Mexico households."

– Delma Madrigal, Economic Success Director | Bank On New Mexico

# Join the National Bank On Movement

**With the support of the national Cities for Financial Empowerment Fund**, there are over 100 Bank On coalitions and over 500 Bank On certified accounts available at more than 46,000 bank and credit union branches across the country. Our coalition partners come from a variety of sectors including local nonprofit and community organizations, government agencies, and banks and credit unions collaborating to increase the availability of Bank On certified accounts in New Mexico. Bank On certified accounts are available at over **280** branches in our state. Join the Bank On New Mexico Coalition today!

**Connecting  
Opportunity  
to knowledge**

The Bank On movement is strongest when knowledge of Bank On accounts is integrated with financial education and financial disbursements. If your community organization provides financial education opportunities or financial payments to participants, please contact us for more details on becoming a banking integration partner.

For more information on partnering with Bank On New Mexico please contact:
